Lights, prepare in six days

Stagecrafters

Address: Sharonville Cultural Arts Center  
11165 Reading Road

Venue; rent

Set construction: On site

Load in: Usually Sunday before open

Time onstage prior to opening: Have stage  
6 days prior to open (includes set build)

Lighting Rent/Own: Belongs to venue

Restrictions on use of lighting: Very limited ability to hang lights over stage

Lighting control: Manual (16 channels but not all work)

Sound Rent/Own: Belongs to venue

Available instr.: 12 - 14 usually (half of the instruments are not the correct type for the space)

Sound Equip. 12 channel board

Other Restrictions/ limitations: Limited lobby space and limited space for lobby display - can not mount anything to walls; stage depth is less than 15' and there is only stage access from SL where offstage space is approximately 8' x 8'. Because of the shallow depth of the stage sight lines are often not great so that seats in the audience must be cordoned off depending on the set.
